Information concerning tickets etc

Please note that for every bus that you are going to use you should obtain bus tickets before you get on the bus. Inside the bus there are automatic machines that will cancel your ticket. If you do not have a ticket or you did not cancel it the minute you get on the bus, there is a severe fine. Bus tickets can be found at kiosks and small stores that sell newspapers etc (**Ticket costs:** all means of transportation: 1.00€ valid for 1,5 hours; suburban railway ticket: 6.00 €; Bus from the airport ticket: 2.90€ - valid 24 hours all means of transportation).

Note also that the only bus that **does not require** a ticket is the internal line of the University TSOKAS.

Alternative to metro → suburban railway

From the airport, instead of metro you can use the suburban railway. After a 15 minute route, you get off at 'NERATZIOTISSA' and enter metro Line 1, heading to 'OMONOIA'. From that point on check the directions above.
